

Explore the world of RNA

Welcome to our seminar. Learn more about our solutions for RNA studies.
Please register: jeanette.palm@thermofisher.com

Linköping University, KEF's library
7 September 2017, 10:00-12:00

Agenda:

10:00- 10:45 Explore the world of RNA

- Why transcriptomics matters
- What to consider for optimizing RNA studies
- Our solutions for RNA studies.

Microarrays

NGS

QPCR

10:45-11:00 Coffee break

11:00-11:45 Introduction to Transcriptome Analysis Console (TAC) Software

12:00 End
