

KALAS

MOTTAGNINGEN

2017

Welcome to Linköping and Linköping University!

As a student starting your first semester here you will get a free ticket to KALAS 2017! KALAS is the big welcoming of our new students in our three campuses Valla, US and Norrköping, arranged by voluntary students of LiU!

What is KALAS?

KALAS means "party" in Swedish. It consists of three main parts: the fairs (see below), the outside area offering food, drinks and music, and last but not least: the big finale inside the arena filled with live entertainment!

The student life at Linköping and Norrköping is mainly based on the student associations. All of the associations contribute to make your time as a student at Linköping University as good and fun as possible! At KALAS you will get the chance to meet them, and perhaps you'll even join one or two! The student association fair is called "Föreningsmässan" in Swedish.

To give the opportunity to get to know the city in a quick and easy way, KALAS has gathered some of the local companies in another fair, called "Företagsmässan" in Swedish. Take the chance to learn more about the possibilities to work in Östergötland, or seize the opportunity for some great student offers from different local companies!

Where and when is KALAS?

KALAS takes place on September 6th at SAAB Arena, Linköping. We open at 2 pm and close at 1 am.

You can find directions to KALAS at: www.kalas.liu.se

At the website you can also find a schedule for the day!

How do I get my free ticket?

You get your free ticket from the International Office at Zenit, Campus Valla. It is the same place from where you got your welcoming package.
